“An all-around good soap for the shower. Dr. Bronner’s has been around since the 70’s and is organic and fair trade. The claim is that the pure castile liquid soaps can be used even as shampoo, and as toothpaste (!) but I stop at body soap for the shower. The lavender is great for a relaxing end of day bath.”

“Dr. Bronner’s is the best. My mom had Dr. Bronner’s around since I was a little kid, and I’ve used it in the shower as soap ever since. Some people use it for toothpaste and shampoo and all that, but I don’t. I haven’t gone that crazy. They give you a lot and it’s concentrated, so it lasts a long time. It’s very cost-effective.”
